Features

Fully Customizable

Adjust everything on your server the way you like it and make it your game.

Mods & Plugins

Vanilla is too boring for you? Add plugins, play with your favourite mods or use one of many preconfigured modpacks for your very own experience.

DDOS Protected

Your Minecraft server is fully DDOS protected for free to keep you safe from attacks.

Automatic Backups

We always keep a backup of your server, just in case you need it.

Custom Worlds

Adventure maps, parkour or the latest minigame. You can upload any world you want to play.

Excellent Support

If you need help, we are here to help.
